The Victorian State Government has established the following benefits that are delivered through your local Council. These are

To obtain a permit, an applicant must submit a form to their local council with a statement from a doctor confirming their disability. A Category 1 (blue permit) allows parking in wide (wheelchair) marked bays. A Category 2 (green permit) allows parking in unmarked bays for double the normal time limit.

Council rates concessions – PCC card holders and some Gold Card holders

A concession of 50% on local council rates, up to a specified maximum amount applies to those with a Pensioner Concession Card (PCC) and to those with a Gold Card marked TPI, POW, EDA or War Widow.
